EMPLOYMENT

Klaviyo

Employer Brand Strategist (Contract)

June 2025 - Present

Leading employer brand strategy for a high-growth SaaS company post-IPO and aggressive AI transformation period.

- Defined the foundational strategy, operating model, and talent brand roadmap across EVP, content, channels, and programs to support enterprise scale and business maturity, securing budget growth from \$250K to \$1.2M+ through executive alignment and business-case driven investment planning.
- Built and scaled always-on content engine, launching the #LifeAtKlaviyo LinkedIn showcase page and developing integrated organic and paid social strategies to strengthen brand visibility, audience engagement, and talent attraction.
- Launched targeted employer brand campaigns supporting priority hiring initiatives, including AI engineering and the expansion of Dublin engineering hub, aligning talent marketing efforts with critical business growth areas.
- Led EVP development during a significant post-IPO cultural and growth transformation, shaping aligned messaging and narrative architecture to drive cohesion across evolving business priorities and employee sentiment.
- Partnered cross-functionally with executive leadership, PR, Communications, and Marketing to shape and amplify Klaviyo's AI-first employer narrative, driving exec communications, earned media, industry activations, and talent messaging that positioned the company as a builder-led, AI-fluent organization.

Micron Technology

March 2025 – April 2025

Talent Brand & Attraction Strategist (Contract)

Brought in as a strategic consultant to redesign and modernize Micron's global talent brand and engagement strategy.

- Conducted comprehensive business assessments, market evaluations, and SWOT analyses to identify brand perception gaps and strategic opportunities.
- Developed scalable, ready-to-execute brand and talent attraction strategies supporting investment hiring initiatives across North America and EMEA. Advised leadership on positioning, messaging, and audience engagement strategies aligned to long-term business growth and workforce transformation goals.

International Rescue Committee

June 2023 – Feb 2025

Associate Director, Talent Brand & Experience | Oct 2024 – Feb 2025

Promoted to an expanded role, leading the end-to-end brand, communications, content and talent experience strategy.

- Partnered cross-functionally with senior leadership across Marketing, Internal Comms, and People & Culture to align messaging, engagement strategies, and brand experience across internal and external audiences.
- Developed and executed creative global brand and communications campaigns that maximized engagement, optimized ROI, and elevated brand visibility and equity across the full talent lifecycle.
- Launched and scaled a global brand ambassador and employee advocacy program, driving user-generated content that reduced production costs by 30% QoQ and increased brand trust and audience engagement x4.
- Analyzed internal and external sentiment data to identify perception trends and advise senior leadership on engagement, inclusion, and brand alignment strategies.

Sr Manager, Brand Marketing (Talent Brand & Attraction) | June 2023 – Oct 2024

Stood-up IRC's employer brand and recruitment marketing function from the ground up, leading a global team of 5. Supported +65 person global talent acquisition team within a 22k org operating in +50 countries with 1.6B ops budget.

- Drove executive alignment to establish employer brand as a core function, strengthening cross-functional partnerships across TA, HR, Marketing, Comms, and Executive leadership.

- Led development and launch of IRC's first global EVP, owning end-to-end global content strategy and execution across blogs, social, podcasts, video, and photography and web. Oversaw reputation management across third-party platforms.
- Managed phenom CMS/CRM implementation and the redesign and relaunch of IRC's global career site in under 6 months, leading to a 322% increase in traffic YoY and 54% increase in new users.
- Improved operational efficiency and outcomes through vendor evaluations, contract negotiations, and process optimization initiatives in a highly budget-constrained environment.
- Served as AI Community of Practice (CoP) project lead, driving AI adoption, experimentation, and change management initiatives to accelerate innovation and operational effectiveness.

Hope Leigh Marketing Group

January 2023 – March 2023

Consultant - Brand Strategist

Consulted as a brand strategist for a marketing & advertising agency (Client: DropBox).

- Led integrated marketing and paid media strategy from brief through execution, executing multiple projects end-to-end, partnering cross-functionally with agency and client stakeholders to deliver cohesive campaigns and brand activations.
- Managed campaign budgets, media planning, and performance optimization to maximize efficiency, engagement, and ROAS.

Meta (Facebook)

August 2019 – Jan 2023

Brand Manager, North America (Employer Brand) | May 2022 – Jan 2023

Led North America employer brand strategy through Meta's corporate rebrand and post-COVID workplace transformation, shaping integrated campaigns that strengthened brand affinity, audience engagement, and recruiting outcomes.

- Drove integrated brand programs across evergreen, campaigns, cultural moments, and crisis/rapid response spanning digital, video, print, metaverse and OOH.
- Owned the full creative lifecycle from strategy and brief development through production and launch, including employee interviews, creative direction, vendor management, and multimedia content execution.
- Partnered cross-functionally with internal creative, consumer marketing, corp comms, analytics to deliver cohesive, insight-driven campaigns aligned to broader corporate brand strategy.
- Built measurement frameworks rooted in audience insights and market research to inform future brand investment and content strategy decisions.
- Played a key role in Meta's rebrand from Facebook, supporting development and activation of the company's new employer value proposition and talent narrative.

Sr Leadership Recruiter | Aug 2019 – May 2022

- Served as a mentor to +10 recruiters. Developed recruiter enablement frameworks, messaging, and EB content.

Microsoft

July 2015 – August 2019

Digital Marketing Manager, Windows Developer Marketing | Feb 2019 – Aug 2019

- Led storytelling strategy and content roadmap to drive developer acquisition and engagement across web, email, and social. Managed \$1M+ budget and multiple external agencies (social, video, brand, content) to deliver integrated campaigns in a highly matrixed environment.
- Drove high-profile marketing activations for Tier 1 developer conferences and global events to increase engagement and strengthen brand visibility among technical audiences.

Social Community Manager, Employer Brand | Aug 2018 – Nov 2018

- Interim Social Community Manager for #MicrosoftLife Social Channels, owning end-to-end channel program management for Twitter, Facebook, Instagram engagement.

Recruiter / Employer Brand Specialist | July 2015 – Feb 2019

- Supported investment hiring, internal mobility, and recruiting operations initiatives across multiple Microsoft consumer marketing divisions. Created scalable recruiter enablement tools, messaging, and content that strengthened candidate interactions and reinforced a consistent employer brand narrative.

Aquent

Dec 2012 – July 2015

Sr Recruiter, Marketing & Creative

- Marketing & creative agency recruitment. Accounts: Starbucks, Expedia, Amazon, Microsoft, Nordstrom, REI
